We ship our homegrown apples throughout the **Continental United States** from November through February. Fresh Ohio apples make wonderful treats for our out-of-town friends, family or clients. Our apples are packed in foam-cushioned boxes to protect from bruising and freezing.

We ship Apples via USPS/UPS on Mondays through Wednesdays to avoid weekend layovers. Although we make every effort to have your package arrive on time, we cannot control USPS/UPS delivery times. ***We are not responsible for delays in shipping due to incorrect address or USPS/UPS shipping delays.***
